

Confirmation Of Smoke Alarm Function and Use

Tenant Name(s)

Landlord :

Property Address:

At the commencement of this tenancy the smoke alarm/s have been tested to ensure that they work and are fit for purpose.

As part of your tenancy you are responsible for ensuring the operation of the smoke alarms is not affected / hindered in anyway. Batteries should never be removed. Tests for correct operation should be done regularly (suggest weekly). Batteries must be replaced as required.

I/We confirm that the smoke alarm/s have been tested in our presence and are in full working order at the commencement of this tenancy.

I/We fully accept our responsibilities regarding the maintenance of the smoke alarm/s throughout the term of our tenancy.
